### How can you help your community?

Upcoming sewer system project funding needs to do an income survey to qualify for much needed grant funds to help us start the our sewer project.

When you received the survey in the mail or at your door, please complete the survey and return it in the postage paid envelope provided as soon as possible!

If you have questions, please contact  
City Admin-Sam at 541-333-2434

### Grass Valley Paving Project

ODOT to Chip-seal various streets in Grass Valley. The week of September 9

Streets involved: Top of Market from Railroad to 4th St, 4th St, Depot St, Lincoln St.

At the end of September there will be an **OPEN HOUSE EVENT** for the Buckley Solar Project at the Grass Valley Pavilion. \*See our website for more details-coming soon.

### \*Help US Help YOU\*

The city yard holds several services for our community (located at South end of town) :

Recycle center

Compost pile

Burn pile

Firewood lot

These services are a "courtesy" to the people of GV. Please respect each of these services.

The recycle center is opened on Mon. & Tues from 1-3. The only time anything should be left at this area is when an attendant is on site. The compost pile is for leaves and grass (hay...) only. The burn pile is for other yard debris. There should be no man made materials put in the compost or burn piles! The fire wood pile is for all tree debris with a diameter over 4". Anything that does not fit in your truck doesn't belong up at the city yard.

**\*To continue providing these services, we need to keep labor costs as low as possible. Thank you!\***

Be sure to check out the City's website for all Ordinances & Resolutions. We also post Minutes from City Council Meetings, Pavilion Rental Forms, copies of past & current City Newsletters and MORE! [www.grassvalleyoregon.com](http://www.grassvalleyoregon.com)
